## EXPERIENCE

### Jan 2022- June 2022 (Paid Internship)

#### Kantech Designer and Printers | Chipyana, G.B. Nagar Graphic Designer

As a graphic designer at Kantech Designer and Printers in Chipyana, G.B. Nagar, My role during the paid internship from January 2022 to June 2022 would involve creating visual materials for various print and digital media. Like Brouchers, Logo's, Banner, Flyer, G.I.F., Social Post, Letter Head, Slider, Web Layout and many more things related to work.

### August 2022 - Present

#### Epic Web Techno | H-44, Sec-63, Noida, (U.P.). Website Designer and Developer

As a proficient Website Designer and Developer at Epic Web Techno since August 2022, my primary responsibilities revolve around conceptualizing and building websites for esteemed international clientele. In this capacity, I specialize in Shopify , Wordpress Development and Next.js UI Design, utilizing my comprehensive knowledge of these platforms to deliver exceptional results. Moreover, I adeptly manage a dedicated team consisting of a skilled Graphic Designer and a Junior Developer, fostering a collaborative environment that ensures successful project completions.

Over the course of my tenure, I have effectively completed more than 50 diverse projects. As I continue to grow professionally, I look forward to undertaking new challenges and contributing to the continued success of Epic Web Techno
